To whom it may concern:

This letter serves a professional reference for Mr. Jered Buhayan whom I have known for 1 month during his exposure in Intensive Care Unit 1 out of 6 months of training to different areas in Southern Philippines Medical Center (formerly known as Davao Medical Center). As a Critical Nurse Trainee, he demonstrated confidence and professional accountability and responsibility in his work.

Mr. Buhayan has a lot of potentials to become an effective and competent nurse. If you have any questions with regards to him, you are very welcome to contact me.

Sincerely yours,  
Anne Murry F. Sia, RN
